

How Dogs can affect your Homeowners Policy

Some insurance companies are refusing to write or renew homeowners policies if you have a certain breed of dog. The insurance companies are concerned with mostly large canines that have the potential to inflict a lot of damage.

Although all insurance companies are different, to follow is a basic list of dog breeds that may cause problems when looking for a homeowners insurance policy:

Airedale	Akita	Alsatian Shephard
Bull Mastiff	Boxer	Chow Chow
Chesapeake Bay Retriever	Doberman Pinscher	Filas
Giant Schnauzer	German Shepherd	Husky
Great Dane	Malamute	Kerry Blue Terrier
Presa Canarios	Pit Bull Terrier	Spitz
Rottweiler	Wolf Hybrid	Stafford Bull Terrier

To learn about the characteristics of your dog you can check this site:
