

SMOKE ALARMS

Looking for a way to protect your family and get a discount on your homeowners policy?

The answer is smoke alarms.

According to the National Fire Protection Association, “Smoke alarms are the residential fire safety success story of the past quarter century”. Check out [their website](#) for tips on smoke alarm installation and maintenance.

And in addition to a safer home, most homeowners companies will give you a discount if your house has smoke alarms.

Please [Contact us](#) to let us know if you have smoke alarms installed in your house and we will make sure you are getting the proper homeowners premium discount.
